A Personal Message from MP Shaun Chen

As the Member of Parliament for Scarborough North, I am pleased to extend my warmest greetings to the organizers and attendees of Abdus Salam Science Fair's 13th Awards Ceremony, held virtually this year.

Today's event is a wonderful opportunity to acknowledge and celebrate the brilliant minds of young Canadians. Students across the country have created unique experimental projects, models, and demonstrations within the field of science.

During these difficult times, the need to engage students is very crucial, and I commend Abdus Salam Science Fair for promoting the importance of learning science. Projects such as this one, which helps the community stay connected, are much needed in these unprecedented times.

Please accept my best wishes for a most successful event.

Sincerely,

Shaun Chen
Member of Parliament
Scarborough North
