Special Virtual Science Fair for Canadian Students

Grants and Prizes Up For Grab At 2021 Abdus Salam Science Fair

The Ahmadiyya Muslim Jama'at Canada invites Canada students from grade 5 to grade 12. This year's Abdus Salam Science Fair continues a 13 year old tradition of commemorating the contributions of Nobel Laureate Abdus Salam to science. Due to the pandemic situation, the science fair will be held virtually and is open to all students between grade 5 to grade 12 from throughout Canada.

This prestigious science fair attracted hundreds of brilliant and curious minded students each year. Interested students who wish to participate must submit a short video of their science project no later than **May 31, 2021**. All submitted project videos will be judged by a panel of judges for each age category. The top three position holders from each category will be included in a virtual awards ceremony on **June 26, 2021**. Cash prizes will be awarded for all the winning projects.

"..The students participating in this science fair are not just the leaders of tomorrow, they are also the leaders of today, and their ideas and brilliance will greatly benefit our country..." said Prime Minister Justin Trudeau in his message to the participants of the science fair.

About the Ahmadiyya Muslim Jama'at

The Ahmadiyya Muslim Jama'at is a dynamic, fast-growing international revival movement within Islam. Founded in 1889, the Ahmadiyya Muslim Community spans over 200 countries with membership exceeding tens of millions. The Ahmadiyya Muslim Jama'at is the only Islamic organization to believe that the long-awaited messiah has come in the person of Mirza Ghulam Ahmad (1835-1908) of Qadian, India. The Community believes that God sent Ahmad, like Jesus, to end religious wars, condemn bloodshed and reinstitute morality, justice and peace.
